PRODUCT DESCRIPTION

ERC DZ 220Y 2 Tabletop Dual Seal Vacuum Sealing Machine The DZ 220Y 2 vacuum sealing machine is designed for sealing contents in vacuum pouches. The DZ 220Y 2 vacuum sealer is available with a manual or digital control panel that is programable to memorize frequent operations and has a deep, wide chamber size designed for packaging a variety of items. With two 8.6 X 0.31 inch seal bars, it is possible to seal multiple pouches in one operation greatly increasing productivity. Plus, the DZ 220Y 2 vacuum sealer includes a letter and number kit is included which will allow date and text message identification to be embedded in the seal of each package. A great way to set freshness markings. All Exodus vacuum chamber machines are heavy duty models designed for countless sealing operations. Other than periodic replacement of pump oil which is included with the unit, no other user maintenance is required. WARRANTY ERC warrants to the original purchaser for a period of time from the date of shipment, that its VACUUM SEALERS will be free from defects in material and workmanship when used under normal operating conditions. The warranty for VACUUM SEALERS is three 3 months labor and twelve 12 months limited warranty on parts excluding wearables . Improper use and user maintenance requirements are not covered by product warranty. ERC agrees to repair or replace, at its option, any defective part or component covered by this warranty, provided there was no abuse and ERC must first receive written notice of a defect within the applicable warranty period. With the exception of the Labor warranty for Three 3 months from the date of shipment, warranties do not include labor or the payment of any labor charges or incidental or consequential expenses. All parts are shipped FOB Brentwood, NY. Warranty claims must be
