### PRODUCT DESCRIPTION

The DZ 220Y 2 vacuum sealing machine is designed for sealing contents in vacuum pouches. The DZ 220Y 2 vacuum sealer is available with a manual or digital control panel that is programmable to memorize frequent operations and has a deep, wide chamber size designed for packaging a variety of items. With two 8.6 X 0.31 inch seal bars, it is possible to seal multiple pouches in one operation greatly increasing productivity. Plus, the DZ 220Y 2 vacuum sealer includes a letter and number kit is included which will allow date and text message identification to be embedded in the seal of each package. A great way to set freshness markings. All Exodus vacuum chamber machines are heavy duty models designed for countless sealing operations. Other than periodic replacement of pump oil which is included with the unit, no other user maintenance is required.
