PRODUCT DESCRIPTION

The DZ 810 AU Custom automatic Vacuum Sealing Machine is a extra large capacity floor model vacuum sealer designed for sealing contents in vacuum pouches. This model may be customized for chamber size and seal bar placement. The DZ 810 AU Vacuum Sealing Machine sealing operation and lid action is controlled by a single button for repetitive packaging. It is equipped with two seal bars placement and length may be customized and user adjustable controls for vacuum cycle, seal bar temperature and cool down timing. This is the perfect vacuum sealer for large cuts of meat and whole fish. Plus, a letter and number kit is included which will allow date and text message identification to be embedded in the seal of each package. A great way to set freshness markings. All ERC vacuum chamber machines are heavy duty models designed for countless sealing operations. Other than periodic replacement of pump oil which is included with the unit, no other user maintenance is required.
